### Quality Policy

It is the policy of this company to provide its customers high quality products, on-time delivery, and ever improving levels of customer satisfaction.

Benchmark Connector Corp is dedicated to the continual improvement of its products, services, and the company itself, through process control, employee empowerment, and management commitment.

### Quality Objectives

- **High quality products**
- **On-time delivery**
- **Customer Satisfaction**
- **Continuous improvement in our processes through training and education**

The General Manager and Quality Assurance Manager have formulated the quality policy. The policy is explained and discussed at the general orientation training given to all new employees and has been reviewed with all current employees. All employees are expected to know what the quality policy means to them as it affects their job or position within the company. The policy is posted in prominent locations throughout the facility.
